THE YOUTH DIGITAL ENTERPRISE AWARD 2017

Are you 12 to 18 years old and living in New Zealand?

Do you have a creative enterprise or business idea?

This idea should:

- have a digital or IT focus
- be innovative, creative or different
- have real potential to succeed as a business
- offer benefits to our society or environment.

Would you like a scholarship (of up to $1,000) to help you develop this idea, or to build the skills to see it become a reality?

If this sounds like you then follow the steps below and see where it takes you!

STEP 1

Briefly tell us about your idea and how it fits with the Award aims and criteria. This is done through an online expression of interest process and is open for submissions from **Monday 13 November 2017 at 12:00pm (midday)**. More information can be found at: http://www.myd.govt.nz/funding/youth-enterprise-initatives-fund.html

STEP 2

Applicants submitting successful expressions of interest will then will be invited to present their initiative to a panel (either in person or by video) and say why it should receive scholarship funding (presentations should last a maximum of three minutes).

STEP 3

If the panel like your idea you will be awarded a scholarship of up to $1,000 to take your idea to the next level.
