

Iris Ewart

“I applied to be a Youth MP because I think I can learn a lot from the experience, and it’s an amazing opportunity to step up and advocate for my community. I’m particularly focussed on working towards training opportunities (like STP programmes, which are often known as STAR or Academy courses) and student sports being available to home-educated rangatahi across Aotearoa. I also look forward to connecting with youth in my communities to help bring their voices and concerns to the table, as well as meeting rangatahi from all around the country at Youth Parliament 2025!”

Selecting MP: Celia Wade-Brown

Location: Carterton
