“Youth MP, for me, was always more than just a position but a valuable opportunity to make a real difference in my community and beyond. Through my roles as a Student Representative on my school board and Chairperson of the Howick Youth Council, I have had the chance to hear diverse voices surrounding the issues rangatahi are facing in our local community. These experiences have made me realise how important it is for youth to be represented and heard, and how much work still needs to be done to create a fairer, more inclusive community. Also, they have sparked a deep passion in me for advocacy and public service. I believe this Youth MP role will help me hone these skills further, as I aspire to work in the political sector of Aotearoa in the future.”
