

## **Benjamin Kingsford**

“I applied to be Youth MP because I am passionate about inequality, the climate crisis, and poverty, and I wanted to give practical context to what I know about politics. These three issues are incredible challenges, but they are by no means unsolvable. Kiwis have never shied away from a challenge; we just need the right leaders. I am incredibly honoured to be Jan Tinetti’s Youth MP.”

**Selecting MP: Hon Jan Tinetti**

**Location: Wellington**
