

Chris Proctor

“It’s an honour to represent Tuketiki as Youth MP—a region I’m proud to call home. Though I was born overseas, moving here when I was young grounded me. My grandparents farmed this land, and it’s here I’ve grown into the person I am today. Tuketiki has shaped me, and now I’m ready to give back. This is a once-in-a-lifetime opportunity to stand on the national stage and champion our region with energy and passion. Over the coming months, I’ll focus on building connections across our electorate, listening closely to the voices of my peers and the challenges we face. I want to inspire young people to move mountains amidst a chaotic world, to step forward with confidence, and to help shape Tuketiki’s future. It’s about showing New Zealand the strength, pride, and potential of our people – that when rangatahi step up and lead, we can change the world.”
