

## **Lincoln Jones**

“I applied to be a Youth MP because I’m passionate about creating meaningful change for rangatahi and amplifying the voices of my community. Through my community, I’ve been fortunate enough to be able to work on initiatives supporting mental health, financial literacy, and youth empowerment, and I’m proud to represent the diverse and vibrant Tāmaki Makaurau community. I’m particularly focused on improving youth wellbeing, education access, and opportunities for Māori and Pasifika rangatahi. I’m also actively involved in kapa haka, debating, service, and performing arts, and I want to use my voice in Youth Parliament to ensure young people are heard on the issues that matter to us. I’m honoured to represent Hon Willie Jackson as his Youth MP and will bring my energy, lived experience, and community spirit to this kaupapa.”
