

Lucy Garner

“I have lived in Rolleston, Selwyn my whole life, and the opportunity to engage with my community more really interests me. I see it as a chance to advocate for the youth around me. I believe this is a great learning experience where I can further develop my public speaking, self-confidence, and more. I also have a keen interest in law and politics, speaking in Parliament about my concerns for youth, and working alongside my local MP Nicola Grigg really motivated me to apply for this role. I hope to learn how to provide for the youth in Selwyn, I am excited for the challenges this role will bring.”

Selecting MP: Hon Nicola Grigg

Location: Rolleston
