

Madeleine 'One'one

“My name is Madeleine 'One'one, I am from Onehunga, Auckland and have lived in Maungakiekie my whole life. I am part Tongan, and my villages are Neiafu, Kolovai, Tu'anuku, and part Palangi (NZ European) where my family comes from a small town in the Waikato called Piopio. The reason that I applied to be a Youth MP is because I have a strong interest in the issues that my community face and, I know that a big part of how these issues are addressed is through Parliament and lawmaking. I hope that this experience will help me better understand how my voice can contribute to these discussions and be further amplified.”
