

Nikau Adams

“I applied to be a Youth MP because I am passionate about politics and the forces that shape our country. I want to take a more active leadership role and represent others, especially those whose voices often go unheard. I see Youth Parliament as a valuable chance to learn more about how our democracy works, to represent my peers, and to grow into a better leader. I’m also excited by the possibility of returning to Parliament in the future as an MP.”
