

Olivia Kelly

“Community involvement is important to me, and I am active in my local, rural community, including being a Year 13 Student Leader at Kaipara College. My contributions include running the Kaipara College AG Day, involvement in the Helensville A&P Shows and, in the future, I would like to be involved in farming advocacy. I am interested in learning about how the Parliamentary system works and share my communities ideas and concerns, with a focus on youth rural aspects.”

Selecting MP: Hon Chris Penk

Location: Auckland
