

Ruby Love-Smith

“I grew up in Banks Peninsula and currently attend school at Hagley College and University of Canterbury. I'm passionate about promoting youth voices, rainbow rights and social justice. There are so many ways for young people to engage with Parliament and Youth Parliament is a great opportunity for them to be promoted. Youth engagement is so important. It brings a new perspective to legislation and decisions that affect our future.”

Selecting MP: Dr Tracey McLellan

Location: Christchurch
