

Taiko Edwards-Haruru

“I am committed to empowering the youth of Whanganui through four key areas: Education: I’ll advocate for fair access to resources, so every young person has the tools to succeed. Mental Health: I’ll push for better awareness and access to support services – no one should face their struggles alone. Cultural Representation: Our diversity is our strength. I’ll promote understanding by celebrating our cultures and traditions. Youth Engagement: Your voice matters. I’ll create spaces for open dialogue so we can shape the future together. I want to connect with you – in schools, community spaces, or online. Share your ideas, concerns, or dreams with me. Together, we can build a future where every young person feels heard, valued, and empowered. Thank you for the opportunity to represent you. Let’s work together to create a stronger, more inclusive Whanganui.”
