

## **Tamorangi Clayton-Lake**

“Lately, rangatahi across Aotearoa (including myself) carry the worry of our future. We worry because decisions are only being made for us and not with us, and this is important when shaping the country we youth know as home. I am taking this opportunity to bring forward the ideas and thoughts of my peers and I, and hopefully make great decisions with intelligent leaders with great experience.”

**Selecting MP: Barbara Kuriger**

**Location: Te Kuiti**
