

## **Tautalaleleia Sa'u**

“Talofa lava! My name is Tautalaleleia, and I am honored to represent my community in Youth Parliament 2025. As a proud Samoan and passionate advocate for young people, I believe in the power of leadership, kindness, and service. My roots are deeply tied to family, culture, and the values that shape who I am today. Currently studying law, I am committed to ensuring that youth voices are heard in decision-making spaces. Issues such as equitable education, financial support for students, and stronger youth engagement in politics are at the heart of my advocacy. I am proud to call Wainuiomata home, a place rich in diversity and resilience. Through my role, I strive to be a reliable and approachable representative, championing the aspirations of young people and working towards a future where every voice matters.”
