

Emelie Wissel

“Hi! I am from West Melton in Christchurch, and I go to Lincoln High School as a Year 13. I have always had a passion for debates and politics and especially in 2023, I got more involved in watching the news consistently. Jack Tame is honestly my idol haha! I applied for the Youth Press Gallery member this year because I love sharing information in a unique way that connects to all types of people, especially youth. I was a press member at the National Model Youth UN last year representing Vogue and it was so inspiring. I realised how much joy and value I got out of writing magazines but with a political twist while highlighting the event and inspiring youth there.”

Youth Press Gallery member

Location: Christchurch
